

# Progress Report...

*Our Shawnee Little Theatre restroom and lobby remodel is well underway as you can see from the photo below. New tile, fixtures, lighting, paint, etc. will bring our facilities comfortably up to the standards you expect from SLT.*

*Cost of the Phase I restroom/lobby project is \$62,000 including some add-ons. So far we've collected \$50,000 from some very generous SLT supporters. Phase II will upgrade or lighting and sound. Estimated cost is \$40,000.*

**Won't you help us reach our goal so the restroom/lobby project will be paid for by the time we open our new season September 25th? Any amount will help. Donations of \$100 and above will be recognized in the new lobby in the following categories:**
